

MUSIC INSTITUTE

## Music culture (BA)

### Choral conducting, choral singing

#### A concise summary of the programme:

The aim of the programme is to train music experts who are able to meet the requirements of art dissemination in music in good taste and with creative decisiveness with their theoretical and practical proficiency.

The music courses in the programme are based on the Kodály Concept.

Specialization: Specialization in **Choral conducting, choral singing** is available with professional traineeship for 5 semesters. The place of the art traineeship is at the music workshop, **Cantemus Mixed Choir**, which has become world-famous following the principles of Zoltán Kodály's music education. Conductor: Soma Szabó.
